EXPERIENCE

Siemens Industry Software (India) Pvt. Ltd.

21 May 2025 to 13 June 2025

Student Intern

Noida, Uttar Pradesh

- Contributed to testing, analysis, and documentation of software components, supporting enhancements in ongoing R&D projects
- Performed log analysis and debugging in a Linux environment; improved workflow efficiency through task automation
- Collaborated with cross-functional engineering teams in an agile development environment; adhered to industry best practices and quality standards
- Utilized version control systems and participated in code reviews under senior mentorship; gained hands-on experience in large-scale software integration and deployment

PROJECTS

AIKA: Threat Detection through Cognitive Vision

- Developed a real-time facial recognition module using Python, OpenCV, and TensorFlow/PyTorch
- Implemented AI-based threat and anomaly detection using computer vision techniques
- Deployed a cost-effective surveillance system on Raspberry Pi integrated with Arduino and sensors

QuickServe Digital QR and Ledger System for Local Businesses

- Built a full-stack QR-based ordering and POS system using Node.js, Express.js, React, and PostgreSQL
- Developed four modules (Landing Page, Customer, POS, Admin) for ordering, billing, and analytics
- Designed scalable REST APIs with authentication, order processing, and relational database management

React Movie App

- Built a responsive movie app in React with API integration and dynamic routing
- Implemented search, filtering, and state management for improved user experience

EDUCATION

VIT Bhopal University

Bhopal, Madhya Pradesh

Bachelor of Technology in Computer Science and Engineering

April 2023 – April 2027

- **CGPA:** 9.01

Delhi Public School

Greater Noida, U.P

April 2008 – April 2022

- **Senior Secondary (XII):** 94% | **Secondary (X):** 88.8%

SKILLS

Languages : JavaScript (React.js), Node.js, Express.js, TensorFlow, Computer Vision, SQL (PostgreSQL, MySQL), MongoDB, Bash

Tools : Git, Github, Docker, Linux

CERTIFICATIONS

IBM DevOps, Agile and Design Thinking Certification course

Ethnus - AWS Certified Machine Learning Engineer - Associate Course
